28 applicable post-petition interest, on or before the Effective Date.

 2 in the County's Proof of Claim No. 10 filed September 15, 2014, and shall be paid in
 3 full with penalties, costs, fees, and interest to accrue at the statutory rate in accordance

 5 forth in Exhibit 1 to this Plan. Confirmation of the Plan shall not impair or otherwise
 6 affect the Class 2.1 claim holder's security interest in property of the Debtor. In
 7 addition, the Debtor shall timely pay ongoing post-confirmation taxes, estimated to be in
 8 the amount of \$61,161.97 for fiscal year 7/1/2015 to 6/30/2016. Should the Debtor

 17 Confirmation Date. After the Confirmation Date, the Debtor shall continue to make the
 18 monthly adequate-protection payments to the Class 2.2 claimant in the amount
 19 authorized by the Court as of the Confirmation Date; then, beginning July 15, 2015 and
 20 continuing the fifteenth day of each month thereafter until the Class 2.2 Allowed
 21 Secured Claim is paid in full, the Debtor shall instead pay the Class 2.2 claimant the
 22 amount of \$45,000.00 per month, which shall be applied to interest on the Class 2.2
 23 Allowed Secured Claim. The Debtor shall pay the Class 2.2 Allowed Secured Claim in
 24 full, with interest, no later than January 30, 2017. Notwithstanding the foregoing, the
 25 Debtor may, before January 30, 2017, make a lump-sum payment from escrow for sale
 26 or refinancing of the Real Property that by agreement with the Class 2.2 claim holder is
 27 in full satisfaction of the Class 2.2 Allowed Secured Claim. Confirmation of the Plan
 28 shall be deemed to rescind any Notice of Default recorded against the Debtor's real

1 property before the Petition Date. Confirmation of the Plan, however, shall not
2 otherwise impair the Class 2.2 claimant's security interest in property of the Debtor and
3 shall not affect or diminish any of the Debtor's non-monetary covenants and obligations
4 owed under the applicable pre-petition loan and security documents..

5 The **Class 3.1** Allowed Claim of the Council shall be treated as follows:

9 the Confirmation Date, the contract with the Class 3.2 claimant shall be deemed
10 assumed. The Debtor shall, within six months of the Effective Date, cure all monetary
11 and other defaults under the Lease existing as of the Petition Date. Upon confirmation
12 of the Plan, the Class 3.2 claimant shall be enjoined from taking any activity to cancel,
13 terminate, or otherwise enforce remedies under the executory contract based on a
14 default that existed as of the date of the Petition Date, and such injunction shall
15 terminate the date that is six months from the Effective Date.

16 The **Class 3.3** Allowed Claim of AAA shall be treated as follows: As of
17 the Confirmation Date, the Contract with AAA shall be deemed assumed, and the claim
18 shall be unimpaired.

19 The **Class 3.4** Allowed Claim of Kaiser shall be treated as follows: As of
20 the Confirmation Date, the Insurance Contract shall be deemed rejected.

21 **Class 4** Allowed Claims shall be paid as follows. Beginning after the full
22 payment of all Administrative Expense Claims (except such claims being paid as

25 amount of \$15,600.00 from the Creditor Account, pro rata, to the holders of Class 4
26 Allowed Claims. The Debtor shall continue to make such twice-yearly pro rata
27 disbursements to holders of Allowed Class 4 Claims until such time as the Class 4
28 Allowed Claims are paid in full, with simple interest at the rate of 3% per year from the

Effective Date. Class 4 Allowed Claims shall be paid in full with such interest no later than three (3) years from the Effective Date, the final pro-rata disbursement being in an amount sufficient to pay such claims in full.

The **Class 5** interest shall be treated as follows. Class 5 is unimpaired by this Plan. The Class 5 equity security holder will retain his interest in the Debtor as same existed immediately before the Petition Date

Pursuant to § 1123(a) of the Code, the Debtor specifies that the following classes of claims or interests are not impaired under the Plan: Class 1, Class 3.1, Class 3.3, and Class 5. The Plan impairs the following classes of claims or interests: Class 2.1, Class 2.2, Class 3.2, Class 3.4, and Class 4.

ARTICLE VIII. PROCEDURES RELATING TO CLAIMS AND INTERESTS

The following procedures and provisions, along with those more specific provisions set forth elsewhere in this Plan, govern the administration of claims.

A. Disputed Claims.

A disputed claim is a claim that has not been allowed or disallowed by a final non-appealable order, and as to which either: (i) a proof of claim has been filed or deemed filed, and the Debtor or another party in interest has filed an objection; or (ii) no proof of claim has been filed and the Debtors have scheduled such claim as disputed, contingent, unliquidated, or unknown in amount.

B. Delay of Distribution on a Disputed Claim.

Except as specifically stated otherwise in this Plan, no distribution will be made on account of a disputed claim unless such claim is allowed by a final non-appealable order. The Debtor shall withhold disbursement of payment on any disputed claim by retaining the amount of funds such claimant would receive if the claim were allowed in

///

1 full. Upon final determination of such dispute, the Debtor shall pay that claim amount
2 allowed by the Court, pursuant to terms of the Plan.

3 C. Settlement of Disputed Claims.

4 The Debtor will have the authority to settle and compromise any disputed claim
5 against the Estate subject to an order of the Court after hearing pursuant to Federal
6 Rule of Bankruptcy Procedure 9019.

7 D. Claims Cap.

8 Claims properly scheduled or timely filed as the case may be shall be capped at
9 the amount set forth in the schedules or proof of claim, as of the Confirmation Date.
10 Unless specifically provided for under this Plan, no claim may thereafter be amended to
11 increase the amount asserted against the Debtor or the Estate. This provision may be
12 enforced by any party in interest.

13 **IX. EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

14 The Debtor assumes or rejects, as the case may be, those executory contracts
15 and/or unexpired leases as specifically described in Article IV of this Plan (Class 3). In
16 addition, the Debtor shall upon the Confirmation Date be deemed to have rejected all
17 executory contracts and/or unexpired leases (i) not expressly assumed as provided in
18 this Plan, (ii) not assumed by prior order of the Court, or (iii) not subject to a motion
19 already filed by the Debtor with the Court. Paragraph "G" of Article XI below governs
20 contracts and leases entered after the Petition Date and on or before the Confirmation
21 Date.

22 Proofs of Claim for those Claims arising from rejection of executory contracts
23 and/or unexpired leases must be filed with the Court no later than twenty (20) days
24 following the Confirmation Date. Any such claims asserted or filed after twenty (20)
25 days following the Confirmation Date shall be barred and deemed disallowed without
26 further order of the Court. Should any party to an executory contract or lease assert a
27 claim for a Post-Confirmation Expense, such party must file a motion and obtain an

28 ///

1 allowance of an Administrative Expense Claim as specifically set forth in Article III of
2 this Plan, or such claim shall be barred.

3 The holders of rejected leases of personal property, if any, shall, to the extent
4 entitled to do so under contract, take possession of the personal property subject to
5 such lease no later than thirty (30) days after the Effective Date. Should such party fail
6 to take possession within thirty (30) days after the Effective Date, the property subject
7 to such lease shall be deemed abandoned to the Debtor, which shall have the right to
8 dispose of such property as it sees fit.

9 **X. MODIFICATION OF THE PLAN**

10 The Debtor may amend or modify this Plan at any time before confirmation if the
11 Court determines in accordance with Federal Rule of Bankruptcy Procedure 3019 that
12 the proposed modification does not materially or adversely effect the interest or any
13 holder of a claim or equity security holder. If the Court makes such a determination and
14 approves such modification, it shall be deemed accepted by the holders of claims or
15 equity securities who have previously accepted this Plan.

16 **XI. GENERAL PROVISIONS**

17 **A. Claims in Controversy.**

18 In the event any claim is in controversy, including without limitation, the claims
19 of administrative, priority, secured or unsecured creditors, and/or equity security holders
20 with respect to their classification and/or amount claimed, the Debtor may nonetheless
21 proceed to pay other creditors pursuant to this Plan and be restored possession of its
22 assets during the pendency of a final determination with respect to any such disputed
23 claim or equity interest. As set forth in Article VIII, the Debtor shall withhold
24 disbursement of payment on any disputed claim by retaining the amount of funds such
25 claimant would receive if the claim were allowed in full, and upon final determination of
26 such dispute, the Debtor shall pay that claim amount allowed by the Court.

27 ///

28 ///

1 B. Unclaimed Distributions.

2 Distributions to creditors under this Plan shall be made by first-class mail to the
3 address provided by each creditor in the proof of claim filed in the Case, and, where no
4 proof of claim was filed but where a creditor holds an allowed claim, to the relevant
5 address as known to the Debtor and set forth in the Debtor's schedules of liabilities.
6 Creditors shall be required to provide written notice to the Debtor of any change of
7 address, for the distribution of payments under this Plan, no later than fourteen days
8 before any scheduled distribution. Should any distribution be undeliverable because of
9 the lack of a current mailing address for the holder of any Allowed Claim, the Debtor
10 shall use reasonable efforts to obtain a replacement address for the relevant claim
11 holder and shall dispatch the relevant distribution to the replacement address; but
12 should such efforts be unsuccessful, any distributions returned to the Debtor as
13 undeliverable shall become property of the Debtor sixty days after being returned to the
14 Debtor, and the Debtor thereafter shall not be required to dispatch further distributions
15 to any such claim holder until and unless the such claim holder provides a current

ARTICLE XIII.
DEFAULT PROVISIONS

In the event there is a default in the payment of any classified or unclassified claim after the Effective Date, the holders of such claims shall be free to exercise any and all remedies they may have under state and federal law, without necessity of further order of the Court. Alternatively, in such event, in accordance with 11 U.S.C. § 1112(b), holders of claims shall be entitled to move the Court for conversion of the Debtor's case to a case under chapter 7, and in the event of conversion all of the Debtor's assets at the time the Case is converted, including property acquired by the Debtor after confirmation of the Plan, shall become property of the post-conversion chapter 7 estate. The provisions of this section shall not be construed to limit the remedies creditors and other parties-in-interest may have under state or federal law.

ARTICLE XIV.
DISCHARGE, REVESTING, AND CLOSING

As of the Confirmation Date, the Debtor shall be fully discharged from any and all obligations that arose prior to confirmation. Pursuant to § 524 of the Code, the Debtor's discharge pursuant to this Plan operates as an injunction against the commencement or a continuation of an action, the employment of process, or an act, to collect, recover, or offset any discharged debt as a personal liability of the Debtor, whether or not discharge of such debt is waived.

Pursuant to § 1141 of the Code, upon confirmation of this Plan all property of the Estate will vest in the Debtor free and clear of any claim and/or lien of any creditor or equity security holder other than as specifically provided in this Plan; provided, however, that if the Case shall be converted post-confirmation to a case under chapter 7 of the Code, all property which would have been property of the Estate absent confirmation of this Plan shall be included in property of the chapter 7 Estate. Confirmation of this Plan shall constitute a restructuring of Debtor's obligations and claims to all creditors and shall be deemed to cure any and all defaults existing at the

///

1 time of confirmation. Confirmation shall act to cure any default on obligations dealt
2 with in this Plan.

3 The Court shall retain jurisdiction, and the Case shall not be closed, until:

4 1. All notes, security instruments or other documents, required by
5 this Plan to be executed or delivered by Debtor or any creditor or party in interest, shall
6 have been so executed and delivered;

7 2. All claims objections, applications for professional compensation,
8 and other motions shall have been finally adjudicated; and

9 3. All adversary proceedings filed within the Case shall have been

11 Upon satisfaction of the above conditions to closing and subject to § 350 of the
